## ADDITIONAL EMPLOYER COMMENTS

What cultural activities does the school participate in during the year? This can include the celebration of holidays, field trips, or any other traditions the school celebrates throughout the year?

As part of this program, the exchange teachers are required to participate in two cross cultural activities each year as follows:

- Do an activity or have a day where they share the culture and traditions of their home country with their American students
- Have their American students engage with students from their home country via an activity through virtual exchange, pen pals, etc.

Would the school be able to support the exchange teacher doing the two cross cultural activities above each year? Yes No

During the summer would the exchange teacher be expected to teach summer school? Yes No If so, what are the dates of summer school and what subjects would they teach?
